Within our Bowerham Baby Unit we follow all Bowerham Primary & Nursery School's policies and procedures. Any wording highlighted in blue within the policies are specific additions only applicable to our Baby Unit.

HOME VISITS CONDUCTED BY STAFF MUST BE AUTHORISED BY THE HEADTEACHER.

In addition, wherever possible parents/carers/guardians (Ps/Cs/Gs) should be informed of the home visit prior to arrival, there will be exceptions to this for example a visit to confirm that an absent child is at home when Ps/Cs/Gs are not responding to telephone calls/text messages or emergency safeguarding visits.

Home Visit Definition:

A home visit is a visit that requires members of staff to enter/ access the home of a parent, carer, or guardian in the case of an emergency visit or a procedural visit.

Aims:

The aim of a home visit is:

Stand tall, reach high, love learning

The Bowerham School community is proud to nurture aspiration, inspire love for life-long learning and prepare children for a changing society.

- To establish a partnership between home and staff so that all parties share their knowledge about the child to enable the individual needs of the child to be met.
- To develop and strengthen relationships with home for the best interests of the child.

Reasons for home visits:

- Home visits are important in helping the school to make contact with new or hard to reach families. They are particularly useful as they enable the Parents/Carers/Guardians to still have contact with the school, but in their own environment. Home visits are to be used when:
 - Students are refusing to come into school
 - When there are attendance issues/concerns
 - When students are being educated at home
 - When all other means of contact with a family has failed
- To meet with Parents/Carers/Guardians to discuss an issue regarding their child where it is in the best interest of the child to have that discussion in their own home rather than at school or where it would be difficult for a Parents/Carers/Guardians to attend school for a meeting and information needs to be shared in a face to face meeting in a timely manner.
- To try and establish that a child is safe if they are absent from school and attempts to contact Parents/Carers/Guardians have not elicited a response and we have any welfare or safeguarding concerns for the student.
- To work with and support Parents/Carers/Guardians in developing strategies to help their child attend school where attendance is an issue.
- To drop off or collect work for a child when they are completing school work at home e.g. following a fixed term exclusion or medical issue.
- To visit a child who has been off school for a period of time, for example due to a medical issue, so that they do not feel isolated from school.
- To investigate situations when there are suspicions that someone may be on holiday contrary to earlier indications (for example when a child is not at school and reported as being ill during the same period for which a request for exceptional leave in term-time had been refused).

Benefits:

Home visits have many benefits. For parents, carers, guardians and children, a home visit gives the opportunity to meet a key person in a setting that they are familiar and comfortable with.

Other opportunities are to:

- Establish a positive contact with a key member of staff who is supporting the child.
- Meet family members that are important to the child.
- Talk about the child and their needs.

Procedures

The aim of the home visit policy procedure is to ensure good working practice and to provide guidelines in reducing risks to member of staff when undertaking home visits.
