

## **Pupil School Improvement Plan 2024-2025**

(Written by the pupil SLT)

We will continue to plan together all aspects of our school, to ensure that the learning, behaviour and safety of every member of our Bowerham Family continue to be 'Outstanding'.

The children of the pupil SLT, along with the teaching staff, have looked at everything we have achieved and decided how we can continue to reach our full potential next year.

This year's 5 lead areas are:

- **To build on the outstanding early years provision by gaining the curiosity approach accreditation and establishing a baby unit for children from 9months to 2 years.**
- **To develop and improve children's reading skills.**
- **To ensure an outstanding curriculum through highly effective subject leadership across all subjects.**
- **To further develop SEND provision.**
- **To improve rapid recall, comprehension and confidence in maths.**
