Dear Parents/Carers,

On behalf of the school governors, I am delighted to share the results of this year's parent and carer questionnaire.

Gathering your feedback is very important to us. It helps us, as governors and staff, to understand how we can best prioritise our time and resources to benefit the school and its community.

The questions align with the OFSTED-recommended parent questionnaire, allowing us to evaluate our performance consistently each year.

I am pleased to say that the results are very positive and reflect the hard work and dedication of our staff.

The school continues to offer many ways for parents and carers to engage with us beyond this questionnaire. Please feel free to contact the school office or visit our website for further details on how you can get involved.

Thank you to Jo and the entire staff team for their ongoing efforts to make Bowerham a fantastic school for our children.

Kind Regards,

Craig Smith
Chair of Governors
On behalf of the Governing Body
